INCLEMENT WEATHER PLAN

Pre-printed posters with the SOGA logo will be affixed to walls in the DUC (meals), the Woodruff PE Center, the Nerve Center, and in the lobbies of each residence hall. If it becomes necessary to modify schedules due to inclement weather, we will make the necessary changes, get those changes printed out, and add that information to these pre-existing posters.

Opening Ceremony/Dance: Will be moved from McDonough Field to the main gymnasium in the Woodruff PE Center.

Aquatics, Volleyball, Gymnastics, Table Tennis venues:
These indoor venues will not be affected by inclement weather and will run as scheduled.

Athletic events:
If hard, persistent rain or dangerous conditions exist, the announcer will ask everyone to move into the PE Center. Please move away from the doors and move up onto the 2nd & 3rd levels of the building to allow everyone space to get into the building, away from the Aquatics and Volleyball Venues. As soon as a decision is made as to when events can begin again, an announcement will be made inside the PE Center either by PA system or bullhorn. It is important that your group stay together so that you do not miss any announcements.

Tennis events:
Move into the 4th floor indoor Tennis Courts and await further instruction. A decision will be made as to the condition of the courts and what recovery time it will take to make the courts safe and playable. An announcement will then be made inside the PE Center either by PA System or bullhorn. It is important that your group stay together so that you do not miss any announcements.

Soccer & Flag Football events:
In case of rain only, the soccer and flag football competition will continue to be played. If there is lightning, the competition will be stopped and buses will be dispatched as quickly as possible to transport you back to the PE Center bus stop. If you have your own transportation at the venue, we ask that you return to your residence hall. The PE Center will already be packed with folks ... and simply can’t accommodate soccer and football participants as well. Check the inclement weather posters in your residence hall lobby for revised schedules. They will be posted as quickly as possible.
Each year, law enforcement officers from around the state raise money for Special Olympics Georgia (SOGA) by conducting the Law Enforcement Torch Run (LETR). From January through July, officers raise funds by selling merchandise and holding fundraising events for the honor of being a Guardian of the Flame in the Torch Run. The top five money raising departments run the ‘Flame of Hope’ into the Opening Ceremony where the top fundraising department lights the Caldron to signal the beginning of the State Games. Through the combined efforts of hundreds of law enforcement volunteers throughout the State, LETR has contributed over $5 million to Special Olympics athletes in Georgia. Please help SOGA in applauding the efforts of our Law Enforcement Officers as they join us for the Opening Ceremony.
