PARTICIPANT RELEASE FORM

Special Olympics
Georgia

I want to take part in Special Olympics and agree to the following:

1. **Able to Participate.** I am able to take part in Special Olympics. I know there is a risk of injury.
2. **Photo Release.** Special Olympics organizations may use my picture, video, name, voice, and words to promote Special Olympics.
3. **Overnight Stay.** For some events, I may stay in a hotel, college dorm or someone's home. If I have questions, I will ask.
 - **SOGA Housing Policy –** Special Olympics Georgia (SOGA) usually provides housing for Athletes, Unified Partners and Coaches entered in each State Games. SOGA totals the number of male and female Athletes, Unified Partners and Coaches per agency and assigns room allotments based on those totals. When determining allotted room numbers, SOGA allocates and provides 4 persons of the same gender per room for a Double/Double or King room with a pullout, 2 persons of the same gender per room for a King room and 5 persons of the same gender per room for a Queen/Queen with a pullout. In dorm rooms, SOGA allots one bed per person. Athletes, Unified Partners, Coaches and general volunteers may not share a room with Athletes, Unified Partners, Coaches and general volunteers of the opposite sex.
4. **Emergency Care.** I consent to medical care if needed in an emergency, unless I check one of these boxes:
 - I have a religious or other objection to receiving medical treatment.
 - I consent to emergency medical care, but I do not consent to blood transfusions.

(If either box is checked, an EMERGENCY MEDICAL CARE REFUSAL FORM must be completed.)
5. **Health Programs.** If I take part in a health program, I consent to health activities, exams, and treatment. This should not replace regular health care. I can say no to treatment or anything else any time.
6. **Personal Information.** I understand my information may be used and shared by Special Olympics to:
 - Make sure I am eligible and can participate safely;
 - Run trainings and events and share results;
 - Put my information in a computer system;
 - Provide health treatment, make referrals, consult doctors, and remind me about follow-up services;
 - Research, share, and respond to needs of Special Olympics participants (identifying information removed if shared publicly); and
 - Protect health and safety, respond to government requests, and report information required by law.

I can ask to see and revise my information. I can ask to limit how my information is used.
7. **Concussions.** I understand the risk of concussions and continuing to play sports with a concussion. I may have to get medical care if I have a suspected concussion. I also may have to wait 7 days or more and get permission from a doctor before I start playing sports again.
