

Special Olympics Georgia 15 Passenger Van Policy and Release

Special Olympics Georgia is implementing a revised 15 passenger van policy and release effective 11-23-2009. The SOI policy states the following.

The U.S. Risk Management and Insurance Task Force strongly urge all U.S. Programs to discontinue use of 15-passenger vans for the transportation of athletes, volunteers, or staff. Programs should no longer rent or lease 15-passenger vans, and Programs that own 15-passenger vans should discontinue use of the vans to transport registered athletes and registered volunteers. This policy excludes the use of 15-passenger vans driven by specially trained drivers to transport equipment.

Although we cannot mandate the type of vehicles used by other organizations to transport athletes, Programs are encouraged to work with such organizations to avoid or at least to minimize the use of these vans.

Neither Special Olympics Georgia nor any of its affiliates/agencies can attend any sanctioned Special Olympics event in a 15 passenger van.

15 passenger vans may be used to transport athletes and coaches to sanctioned events if a third party individual is the driver. In other words the driver cannot be a Special Olympics Georgia registered volunteer, coach, assistant coach or staff member who is an official participant in
