

## **The Ninth Annual State-wide Fundraiser to Benefit Special Olympics Georgia**

This is an easy fundraiser for you to coordinate with your local program. Change is collected during Exceptional Children's Week February 28<sup>th</sup> – March 4<sup>th</sup>, 2011.

Accredited Special Olympics Georgia Programs can collect change and have programs/teams/classes compete to see who can collect the most. Local Restaurants and Businesses can put out canisters to collect change too. In addition to benefiting Special Olympics Georgia financially, this event can be used for instruction (counting money, measuring, statistics, etc.).

The state office will provide collection cans for you to use upon request. Since Change for Champions started in 2003, more than \$177,500 has been raised for local programs. You can raise money with no risk or expense to your local program or school.

Questions, ideas, suggestions, call or send an email to  
Andrea Mosley at the State office – 770-414-9390 x 102
