Special Olympics Georgia

Special Olympics Georgia (SOGA) was founded in 1970 and since has grown to serve 23,078 athletes across the state of GA. The mission of Special Olympics Georgia (SOGA) is to provide year-round sports training and competition in 23 Olympic type sports to children and adults with intellectual disabilities. Children and adults who participate in our programs better themselves physically, psychologically and socially as those who participate in our competitions gain physical fitness, an understanding of how to work to achieve a goal, interpersonal skills and so much more!

SOGA's budget is supported by individuals, corporate sponsors and special events like this 11th Annual Open Regatta. SOGA receives no state, local, federal or United Way money. Our fundraising efforts allow us to keep all of our programs at no cost to our athletes and their families.

Your donation is greatly appreciated and will help a prospective skipper raise the \$225.00 requested to race in the Open Regatta.
