Ritchie Ball Charity Toss

Clinton and tour feature sponsor, Ritchie Industries, encourage spectators to purchase tennis balls from the non-profit organization for \$5 throughout the weekend. On Sunday afternoon, supporters will toss the balls into the arena trying to be the closest to a pre-determined marker. Those closest to the marker receive Clinton's instructional DVDs and Downunder Horsemanship training tools. All money raised goes straight to the non-profit organization, Special Olympics Georgia!

"The ball toss is something I love partnering with Ritchie to bring to the crowd. It's a great way to help local organizations raise funds they need to continue to make a difference in their communities." - Clinton Anderson

Special Olympics Georgia

Central Georgia Ranch Horse Association is excited to be selected for the Ritchie Charity Ball Toss and look forward to seeing everyone in Perry, GA January 28-29, 2012.
