2012 Master's Bowling Online Web Registration

Special Olympics Georgia is continuing to implement a way for delegations to enter their State Games paperwork via an online version of GMS. We are asking Heads of Delegations to continue assisting us as we move forward with this project.

Web Registration is now mandatory for submission of State Games paperwork. Web registration will be open from June 1 through July 1st. Any delegation that does not complete Web Registration will be assessed a \$250 penalty.

Instructions on how to complete your paperwork via the web can be found with the rest of your Master's Bowling Paperwork. However, each agency and HOD will require a unique User ID and password to log in. Please contact your Regional Manager or your Sports Manager to acquire your log in information.

The deadline for completing your registration online is July 1st. Please remember that we still need a hard copy of your paperwork by July 1st along with your agency's payment. This hard copy paperwork can be either mailed or emailed to our state office.

If you experience trouble while trying to use this system, please contact one of SOGA's Sports Managers.

For areas 1, 3, 6, 8, 9 and 18 contact: daniel.lockart@specialolympicsga.org

For areas 2, 4, 5, 7, 10 and 11 contact: david.crawford@specialolympicsga.org

For areas 12, 13, 14, 15, 16 and 17 contact: charles.white@specialolympicsga.org

Thank you for supporting the Special Olympics Georgia program!
