2013 Fall Games Online Web Registration

Special Olympics Georgia is continuing to implement a way for delegations to enter their State Games paperwork via an online version of GMS. We are asking Heads of Delegations to continue assisting us as we move forward with this project.

Web Registration is now mandatory for submission of State Games paperwork. Web registration will be open from July 5th through August 16th. Any delegation that does not complete Web Registration will be assessed a \$250 penalty.

Instructions on how to complete your paperwork via the web can be found with the rest of your Fall Games Paperwork. However, each agency and HOD will require a unique User ID and password to log in. Please contact your Regional Manager or your Sports Manager to acquire your log in information.

The deadline for completing your registration online is August 16th. Please remember that we still need a hard copy of your paperwork by August 16th along with your agency's payment. This hard copy paperwork can be either mailed or emailed to our state office. **If we do not receive your paperwork by the August 16th deadline, your Agency will be charged a \$250 late paperwork fee. Any paperwork submitted after August 21st will not be accepted.**

If you experience trouble while trying to use this system, please contact one of SOGA's Sports Managers.

For areas 1, 2, 3, 4 and 6 contact: kelli.britt@specialolympicsga.org

For areas 5, 9, 10 and 18 contact: max.ellis@specialolympicsga.org

For areas 12, 13, 14, 15 and 16 contact: charles.white@specialolympicsga.org

For areas 7, 8, 11 and 17 contact charlie.freeman@specialolympicsga.org

Thank you for supporting the Special Olympics Georgia program!
