AQUATICS, CONT....

Special Olympics Georgia (SOGA) has developed a new Aquatics schedule format that we will be implemented at the 2016 State Summer Games. SOGA and the Aquatics venue director from the Games Organizing Committee (GOC) have worked together to develop this years schedule, detailed below, to better accommodate the athletes, unified partners, coaches and family members throughout the weekend at the Aquatics venue.

Starting at the 2016 State Summer Games, the Friday preliminary round will not be different from prior years. All participants competing in non-level A swimming events, no matter their age, **MUST** attend the Friday Preliminary Round in order to be re-divisioned for the Final round of competition on Saturday. The Final Round on Saturday will be broken down into three different shifts during the day. **This is where the schedule is different than in prior years.** As you can see, the three different shifts are separated by age groups. Shift 1 will be all entrants that are in the Masters Age group of 22 years of age or older. Shift 2 will be all entrants that are in the Junior Age group 8 to 15 years of age. Shift 3 will be entrants that are in the Senior Age group 16 to 21 years of age. You will also see that the check-in times for all three shifts on Saturday's Final Round start at 7 a.m. This is to allow agencies that have entrants in shifts 2 and/or 3 the ability to check their athletes/partners in earlier in the day, instead of having to wait right before their shift (s) competition start time.

This change in schedule has been implemented to hopefully decrease the crowding in both the bullpen check-in area, as well as in the stands inside the pool area. This will also provide all aquatics entrants the opportunity to visit Olympic Town and the three Healthy Athletes screenings taking place on Saturday from 9 a.m. to 3:30 p.m. on McDonough Field. Lastly, this will also help the parents of the Athletes on knowing a more accurate time in which their child will be competing.

SOGA and the GOC hope that this change in scheduling will improve the Aquatics venue for everyone involved. With this being the first year of implementation, we understand and ask for you to understand that we will need to make some adjustments in potential start times for future Summer Games. We ask that you be patient during this first year of the new schedule and know that we are making every stride to create the best experience for all of our athletes, coaches and families!

REMEMBER – The start time is scratch time. Please be sure to arrive prior to the scheduled start time of the event so your Athlete(s) are not scratched!

INCLEMENT WEATHER PLAN

Pre-printed posters with the SOGA logo will be affixed to walls in the DUC (meals), the Woodruff PE Center, the Nerve Center, and in the lobbies of each residence hall. If it becomes necessary to modify schedules due to inclement weather, we will make the necessary changes, get those changes printed out, and add that information to these pre-existing posters.

Opening Ceremony/Dance: Will be moved from McDonough Field to the main gymnasium in the Woodruff PE Center.

Aquatics, Volleyball, Gymnastics, Table Tennis venues:

These indoor venues will not be affected by inclement weather and will run as scheduled.

Athletic events:

If hard, persistent rain or dangerous conditions exist, the announcer will ask everyone to move into the PE Center. Please move away from the doors and move up onto the 2nd & 3rd levels of the building to allow everyone space to get into the building, away from the Aquatics and Volleyball Venues. As soon as a decision is made as to when events can begin again, an announcement will be made inside the PE Center either by PA system or bullhorn. It is important that your group stay together so that you do not miss any announcements.

Tennis events:

Move into the 4th floor indoor Tennis Courts and await further instruction. A decision will be made as to the condition of the courts and what recovery time it will take to make the courts safe and playable. An announcement will then be made inside the PE Center either by PA System or bullhorn. It is important that your group stay together so that you do not miss any announcements.

Soccer & Flag Football events:

In case of rain only, the soccer and flag football competition will continue to be played. If there is lightning, the competition will be stopped and buses will be dispatched as quickly as possible to transport you back to the PE Center bus stop. If you have your own transportation at the venue, we ask that you return to your residence hall. The PE Center will already be packed with folks ... and simply can't accommodate soccer and football participants as well. Check the inclement weather posters in your residence hall lobby for revised schedules. They will be posted as quickly as possible.

LETR Presenting Sponsor:

Each year, law enforcement officers from around the state raise money for Special Olympics Georgia (SOGA) by conducting the Law Enforcement Torch Run (LETR). From January through July, officers raise funds by selling merchandise and holding fundraising events for the honor of being a Guardian of the Flame in the Torch Run. The top five money raising departments run the 'Flame of Hope' into the Opening Ceremony where the top fundraising department lights the Caldron to signal the beginning of the State Games. Through the combined efforts of hundreds of law enforcement volunteers throughout the State, LETR has contributed over \$5 million to Special Olympics athletes in Georgia. Please help SOGA in applauding the efforts of our Law Enforcement Officers as they join us for the Opening Ceremony.
