MISSION

Special Olympics Georgia provides year-round sports training and athletic competition in a variety of Olympic-type sports for all children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy, and participate in the sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

Join us—and help make the whole year special for 27,115 athletes with intellectual disabilities in Georgia.

VOLUNTEER YOU POWER THE MISSION

Special Olympics Georgia is truly a grassroots effort. With only a small staff of full-time employees and more than 500 sports competitions throughout the year, it takes a large and dedicated volunteer force to fulfill the mission and to make our program a reality. Our volunteers take on numerous roles within the organization—from assisting with competitions and special events, to becoming certified coaches and serving on management teams. Whether a volunteer can commit to a single afternoon's event or to years of coaching a team, we have a place for you. There simply would not be a Special Olympics Georgia without your generous donation of time and talents.
