Dear Mr. Crawford:

On behalf of the Georgia Department of Behavioral Health and Developmental Disabilities, I want to express my appreciation to Special Olympics Georgia 2022-2023 for its ongoing efforts to support individuals with intellectual disabilities through sports training and athletic competition.

Your work helps the adults and children you serve contribute meaningfully to our communities while learning valuable skills that focus on self-esteem, respect, and independence.

Thank you for all you do to provide opportunities for those who participate in your program. I look forward to our continued relationship as we work together to help people with intellectual disabilities lead full and productive lives in their communities.

Sincerely,

Judy A. Fitzgerald, Commissioner
