Ms. Georgia Milton-Sheats
Special Olympics Georgia
6046 Financial Dr.
Norcross, GA 30071

Dear Georgia,

On behalf of the Georgia Chiropractic Association, I'm pleased to extend our continued support for the Special Olympics Program. We are honored to participated in a program that provides opportunities for those with disabilities to be included in sports training and athletic competitions. Promotion of physical health, self-esteem, development of personal relationships and inter-personal skills can have only positive effects on the participants and the community.

Dr. Tony Nicholas, long-time GCA member and supporter, has participated and wished to convey our enthusiastic support:

"Ever since the GCA has been involved with the Special Olympics, my colleagues, staff and I are energized and excited to help with the process. It's such a fulfilling and rewarding exchange. We do a 'small' service and in exchange, we are rewarded by the Special Olympians with generous amounts of smiles, laughs, hugs and unbridled exuberance. Often we find ourselves wiping a tear of joy that wells up in our eye! It becomes abundantly clear to us that these kids are truly a gift from God. It's not uncommon to hear an 'I love you.' How can you not appreciate the realization of your own God-given blessings! You give a little ... you get a lot!"

We thank you for the invitation to support the activities of the Special Olympics, and you may count on our continued involvement.

All Best Wishes,

A handwritten signature in blue ink that reads "Valerie Smith".
