Special Olympics **Georgia**

To our Thousands of Friends and Supporters,

Year 2022 was fantastic and thanks for being there for the organization. Special Olympics Georgia (SOGA) is definitely climbing back to where we were pre-COVID times and we are excited and looking forward to what is next. In 2022, we were able to successfully host four State Games, increase the number of active volunteers to 47,284, attend the USA Special Olympics Summer Games in Orlando, Florida with SOGA athletes bringing home 60 medals and ribbons, and sell out all of the five special events fundraisers.

We are so proud of each of the 17,429 registered athletes in our state and 110 athletes went to public meetings and gave incredible and inspiring presentations by telling their life story and about being involved in Special Olympics Georgia. SOGA athletes continue to shine and tell everyone about their Abilities and not focus on anything else.

Your donation of time and financial donations has put the organization in a solid position and we are planning more great things for the near future. Thank you for believing in the athletes for their courage, joyfulness and competitiveness, they enrich all of our lives more than they'll ever know.

Stay tuned for everything coming your way in 2023 and we appreciate you and your dedication. Log in to www.specialolympicsga.org and see how you can get more involved.

Warm Regards,

THE ATHLETES OF 2023

Kelsey Norris

RICHMOND COUNTY

Kelsey is currently a 12th grade special education student at Veterans High School and has been involved in Special Olympics Georgia for 12 years!

During the past year, Kelsey has won seven state level medals in four different sports (track, bowling, swimming and golf). In Summer of 2022, she was also selected to attend the 2022 Special Olympics Georgia Youth Form and was selected to serve as a Special Olympics Georgia Global Messenger. Some of her hobbies include writing books. Kelsey has written five books on what it is like to be a child, adolescent and teen living with a disability. Several of these books have been nominated for national and international book awards.

Adrian Weis

ANGELFISH ADAPTIVE AQUATICS

Adrian was a 20+ year veteran of the Augusta Stars agency. He competed in bocce and bowling with bowling being his favorite sport. He won countless medals during his time with Special Olympics Georgia. Adrian always had a smile on his face, was respectful and put people in a good mood just by his charisma.

Unfortunately, Adrian passed away on February 3rd, 2022 at the age of 64.

"I want to nominate him for Male Athlete of the Year for his sportsmanship and honor that he displayed for Special Olympics Georgia."

-Kevin Enright, Augusta Stars Local Coordinator

SOGA BY THE NUMBERS

Special Olympics Georgia (SOGA) provides year-round sports training and athletic competition in 27 Olympic-type sports for children and adults with intellectual disabilities, as well as, four State Competitions. Participation in sports provides athletes opportunities to develop physical fitness, share friendships, interact with the community, and gain confidence to carry throughout life. Our goal is to help bring persons with intellectual disabilities into the larger society under conditions whereby they are accepted, respected, and given the chance to become useful and productive citizens. When we achieve this goal through our sports program, we demonstrate that Special Olympics has a unique value.

UNIFIED CHAMPION SCHOOLS

At its core, the Unified Champion Schools strategy is not just about including students with disabilities, but unifying all students; moving from adult-led programming to student-led mobilization and action; while transitioning from sports as recreation to sports as a catalyst for social inclusion and change.

The Special Olympics Unified Champion Schools program is aimed at promoting social inclusion through intentionally planned and implemented activities affecting systems-wide change. With sports as the foundation, the three component model offers a unique combination of effective activities that equip young people with tools and training to create sports, classroom and school climates of acceptance. These are school climates where students with disabilities feel welcome and are routinely included in, and feel a part of all activities, opportunities and functions.

In 2022, Special Olympics Georgia added 35 new schools to the Unified Champion Schools program. As of today, the state of Georgia has 84 grade level schools, 23 Young Athletes programs, and 14 S.O. Colleges involved. We look forward to the year to come with Unified Champion Schools and hope everyone continues to join us in the Inclusion Revolution!

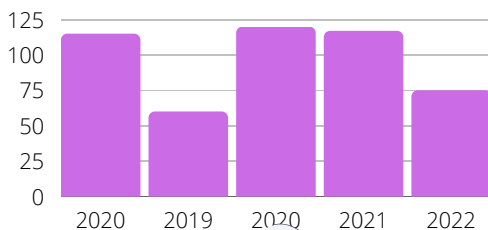

MEDFESTS IN 2022

Healthcare professionals volunteer their time to provide health screenings and education to athletes in 5 different disciplines. The Healthy Athletes Program offers a fun and welcoming healthcare environment for athletes, while working to improve healthcare policies and programs for individuals with intellectual disabilities.

This year we were able to host our annual Medfest's! Over 75 athletes came out and received free medicals and enjoyed games and crafts with their peers! Huge shout out to our medical providers and their team for helping us provide our athletes with their free medicals so they are able to continue to compete in all our state competitions!

LAW ENFORCEMENT TORCH RUN

- 42 ACTIVE AGENCIES ACROSS GEORGIA -

The Law Enforcement Torch Run (LETR) had another impactful year for the athletes.

They raised **\$1,093,378** throughout their various fundraising events and initiatives.

Publix, Publix Customers, and Proctor & Gamble teamed up with LETR and SOGA to raise about **\$907,986** with the annual Torch Icon sales at the registers.

LETR, SOGA, and the community were freezin' for a reason at Acworth Beach while raising **\$217,382** for SOGA athletes at **Polar Plunge**.

Dunkin' partnered with LETR on National Donut Day to raise almost **\$66,000** with their **Cops in Donut Shops** event held across 220 Dunkin' locations in Georgia.

- SPECIAL EVENTS -

Although sports are the center of our mission, we step off the field to raise funds and awareness for our athletes and individuals with intellectual disabilities so they can benefit from all that SOGA has to offer. Some of our 2022 events included:

The 13th annual Polar Plunge was held at Acworth Beach on February 19th. We had 341 Plungers come out and raise money to jump into the freezing lake. With the help of all our supports for this event we were able to raise \$217,382.

Our 17th annual Duck Pluck was such a great turn out for 2022! We were able to give away \$1500 in gift cards and a brand new Dell Laptop to 6 of our contributors. Our goal of 11,000 ducks were sold and our amazing supporters helped us raise \$89,176.

The Bob Busse Golf Classic was held at The Atlanta Country Club on November 7th. Thanks to the generosity of our sponsors and golfers this event raised \$114,791, which surpassed our goal. 128 golfers from 32 different teams showed up to compete in this 27th annual event to help raise money for our athletes.

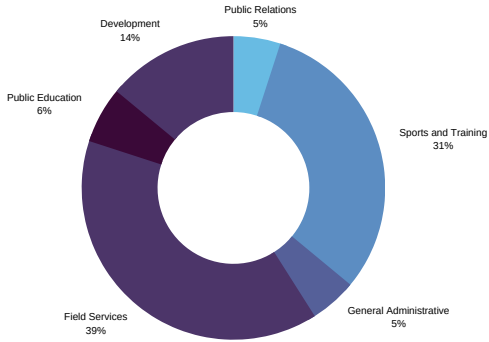

We are always thankful for Marlow's Tavern and the rest of the vendors that continue to make the Marlow's Tavern Golf Classic a huge success year after year. We had 144 golfers participate in our 24th annual event on October 10th.

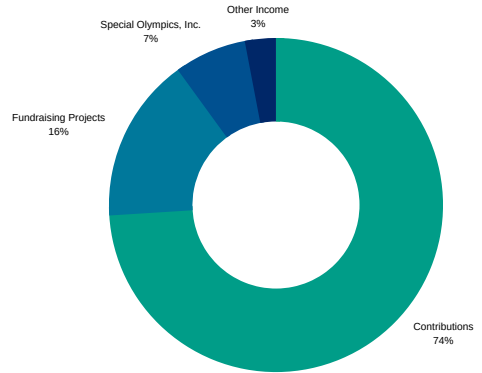

This year we were able to raise \$95,658 at the event and it was such a great turn out per usual!
