**** Please note: Your agencies final room allotment will come from the number of athletes, unified partners, and coaches registered in GMS for the games. Please refer to your Games Report to see that information. Remember, Extra persons not in quota do not receive housing by SOGA. ****

Special Olympics ***Georgia***

HOUSING POLICY

Special Olympics, Inc. Protective Behaviors Policy states several Tips for Travel:

- Be sure to separate rooms by gender
- Try to assign roommates based on similar age, maturity and size
- Establish a plan for checking on each room / athlete and implement the plan
- Clearly explain rules and behavior expectations of both chaperones and athletes before each trip

Special Olympics Georgia provides housing for Athletes / Unified Partners and Coaches entered in each State Games per SOGA's housing allotment listed below. Many Special Olympics programs do not provide housing for their agencies to attend state games. Instead, rooms are blocked and agencies call, reserve rooms, and pay for individual housing. SOGA is not obligated to provide housing but chooses to do so in order to assist agencies with games costs.

Special Olympics Georgia totals the number of athletes / unified partners and coaches registered in the games. We then review the paperwork and the breakdown of males and females. We supply agencies allotted room numbers based on that quota. When determining allotted room numbers, due to COVID-19, we currently allocate and provide 2 persons per room for a Double / Double or a King with a pullout, 1 person per room for a King, 2 persons per room for a Queen / Queen with a pullout. In dorm rooms, we allot one bed per person. **This housing allotment is subject to change after the COVID-19 Pandemic. Athletes/partners/coaches and general volunteers may not share a room with athletes/partners/coaches and general volunteers of the opposite sex.**

It is the responsibility of the agency to call the community hotels and secure additional housing.

I, _____, acknowledge that I have read and understand the Special Olympics Georgia Housing Policy on the date: .

Special Olympics Georgia 15 Passenger Van Policy and Release

Special Olympics Georgia is implementing a revised 15 passenger van policy and release effective 11-23-2009. The SOI policy states the following.

Special Olympics Programs are prohibited from using 15 passenger vans to transport athletes or other individuals to and from Special Olympics events, and Special Olympics strongly discourages other organizations from using 15 passenger vans to transport people to or from Special Olympics events.

Special Olympics recognizes that it is up to each non-Special Olympics organization to determine whether to use 15 passenger vans. A non-Special Olympics organization could be defined as one of the following: School Systems, Parks and Recreation Departments, Group Homes, Workshops and Mental Retardation Service Centers. By using 15 passenger vans, a non-Special Olympics organization understands that:

1. Anyone operating a 15 passenger van owned or that is rented by a non-Special Olympics organization for the purpose of transporting Special Olympics athletes or other persons to or from Special Olympics activities is acting as the employee or volunteer of the organization and not on behalf of Special Olympics.
2. The driver's operation of the 15 passenger van is considered to be in the course and scope of the driver's employment or volunteer responsibilities for the non-Special Olympics organization, and should not be on behalf of Special Olympics.
3. Non-Special Olympics organizations that operate 15 passenger vans should comply with the applicable safety standards promulgated by the National Highway Traffic Safety Administration (NHTSA).
- 4.

The U.S. Risk Management and Insurance Task Force strongly urge all U.S. Programs to discontinue use of 15-passenger vans for the transportation of athletes, volunteers, or staff. Programs should no longer rent or lease 15-passenger vans, and Programs that own 15-passenger vans should discontinue use of the vans to transport registered athletes and registered volunteers. This policy excludes the use of 15-passenger vans driven by specially trained drivers to transport equipment.

Although we cannot mandate the type of vehicles used by other organizations to transport athletes, Programs are encouraged to work with such organizations to avoid or at least to minimize the use of these vans. Neither Special Olympics Georgia nor any of its affiliates/agencies can attend any sanctioned Special Olympics event in a 15 passenger van.

15 passenger vans may be used to transport athletes and coaches to sanctioned events by a Non-Special Olympics organization and a Non-Special Olympics volunteer as the driver. In other words the driver cannot be a Special Olympics Georgia registered volunteer, coach, assistant coach or staff member who is an official participant in:

If you do not sign this release form prior to attending this event and you drive a 15 passenger van to this event SOGA reserves the right to deny your agency the opportunity to attend or participate in this event.**
