Basketball Team Skills

Volunteer Job Description: Below you will find the job descriptions of positions needed of our volunteers for Basketball Team Skills. These job positions will be given to you during the general orientation, which is the first 30 minutes of your shift. Please read these over so you are aware and can potentially choose what position you would be interested in fulfilling during your shift.

Scorer's table (2 volunteers at each court):

- Two volunteers – keeping track of scorebooks by the official's signals (1 for each team). Each volunteer will need to record scores in a scorebook during the game and work with the official to make sure scores are accurate for each team. Scoresheets will be given to you upon arrival as well. Teams will switch sides at half time; volunteers will remain with the same team the entire game. **Please read through the Basketball Team Skills Rules to familiarize yourself with proper Special Olympics rules, scoring, and regulations.**

Side of court Judges (2 volunteer for each court):

- Volunteer will pay close attention and judge good passes, catches, and good shots. Will relay this to mid – court judge

Mid - court Judge (1 volunteer for each court):

- Volunteer will pass along the Side of court Judges to the scorer's table aka a runner from Judges to score keepers.

Ball Retrievers (3 volunteer for each court):

- Retrieve loose balls

Awards (3-5 volunteers):

- Assist with distributing awards, making sure enough ribbons and metals are on award tables, play music, and assist award captains/coordinators with organization of athletes in and out of the awards area.

Fans in the Stands

- Cheer on the athletes!
