Created by the Joseph P. Kennedy Jr. Foundation. Authorized and accredited by  
Special Olympics, Inc. for the benefit of persons with intellectual disabilities.

## MISSION

Special Olympics Georgia provides year-round sports training and athletic competition in a variety of Olympic-type sports for all children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy, and participate in the sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

## YOU POWER THE MISSION

Special Olympics Georgia is truly a grassroots effort. With only a small team of full-time employees and interns, it takes a large and dedicated volunteer force to fulfill our mission and to make our program a reality. Whether a volunteer can commit to a single afternoon's event or to years of coaching a team, we have a place for you.
